

Table ext - 2

Distance gabarit - gorge 2 mm

Pour guide 12 mm, fraise 8 mm

The image shows a technical drawing of a curved profile. A vertical centerline is on the right. A dimension line with arrows at both ends is positioned above the centerline, spanning from the centerline to the left edge of the profile. The text '-3 mm (d=2 mm)' is placed above this dimension line. The profile itself is a smooth curve that starts at the top left, goes down and then up to meet the centerline at the bottom right.

-3 mm (d=2 mm)
