A technical drawing of a mold assembly. It features a large, irregularly shaped mold cavity on the left, divided into two sections labeled 'contre-forme - C1' (top) and 'contre-forme - C2' (bottom). To the right of the cavity is a vertical strip with two elongated, rounded rectangular slots. At the bottom left, a rectangular area is hatched with diagonal lines and labeled 'pont (à n'enlever qu'après le montage des éclisses)'. A small circle with a plus sign is located to the left of this hatched area. A vertical line is positioned to the left of the hatched area.
